

The Baird Family Hospital and The ANCHOR Centre

Pedestrian Access Update - Version 1

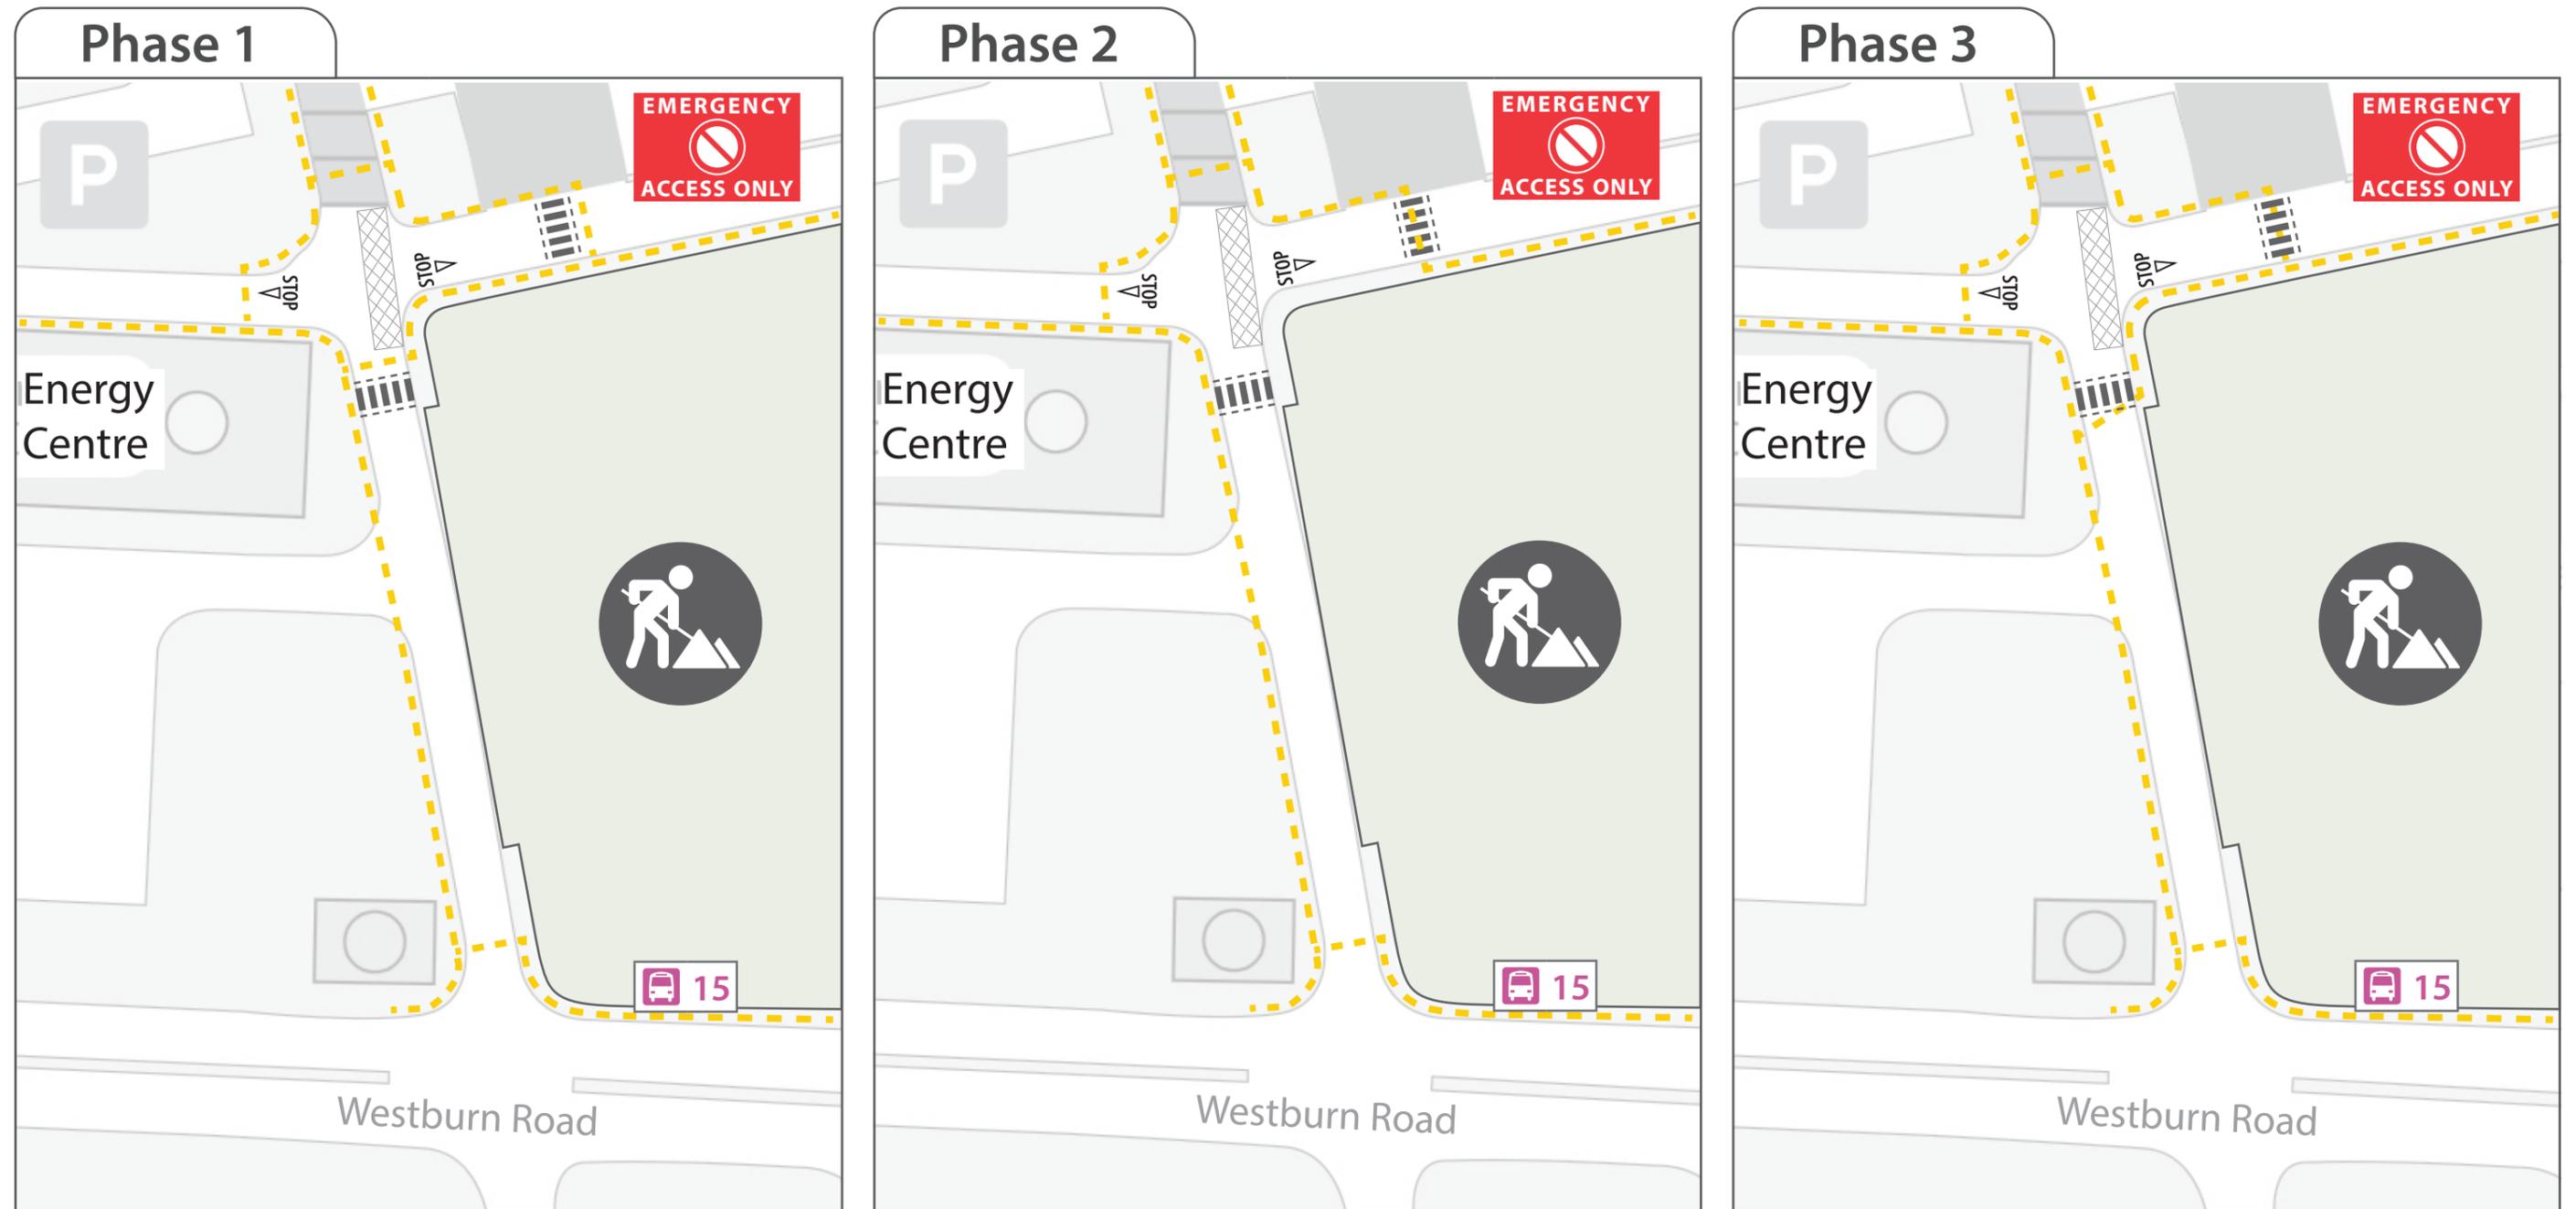

Due to construction work on The Baird Family Hospital and The ANCHOR Centre, we are installing a zebra pedestrian crossing on Foresterhill Road. This work will happen in different phases commencing from **Thursday 11th February 2021** and will likely last for two weeks. Throughout this time there will be alternative crossings in place, please see maps below for details.

This work will **not** affect access to the Foresterhill Health Campus however we do apologise for any inconvenience caused.
